Product Description

Durable White PVC Marble Sheet Ideal For Various Applications-Embossing Pvc Marble Design

Product Description:

PVC Marble Sheet is a kind of synthetic marble sheet made of PVC material, which is widely used in interior decoration, furniture, cabinet and etc. Its length ranges from 2.44m to 3.05m, width from 1.22m to 2.44m, and it comes in colors like white, black, grey, red and etc. PVC marble sheet is perfect for wall panel, ceiling panel, flooring and other applications.

Our PVC marble sheet is made with high quality PVC material, which is waterproof, anti-bacterial, fireproof, scratch-resistant, and easy to clean. It offers a luxurious look of natural marble with low cost, and is more durable than natural marble. It is a great choice for interior decoration, furniture, cabinet, wall panel, ceiling panel, flooring and etc.

PVC marble sheet is an ideal solution for residential and commercial projects, as it can be installed quickly and easily. It is a great way to add a touch of luxury to any interior space. With its stylish look and excellent durability, PVC marble sheet is the perfect choice for any interior decoration project.
