

Incredible PVC Outdoor Cladding: Lightweight, Pest-Free, Colorfast

Our Product Introduction

For more products please visit us on hb-buildingmaterials.com

Basic Information

- Place of Origin: CHINA
- Brand Name: HB-DECOR
- Certification: MSDS,ISO,CE
- Model Number: outdoor pvc wall panel
- Minimum Order Quantity: 3000SQM
- Price: USD4-10/M2
- Packaging Details: CARTON
- Delivery Time: 10days after receive deposit
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 40CONTAINERS PER MONTH

Product Specification

- Mildew Resistance Level: Grade 1
- Material: PVC
- Wear Resistance Level: Grade 1
- Anti-aging Level: Grade 1
- Thickness: 9mm
- Impact Resistance Level: Grade 1
- Color: White
- Fireproof Level: A1
- Features: Lightweight, Pest-Free, Colorfast
- Highlight: Polished External Plastic Sheet Cladding, IP65 External Plastic Sheet Cladding, IP65 Plastic Sheet Cladding

Product Description

This incredible PVC outdoor cladding offers a host of remarkable features. Firstly, its lightweight nature makes it incredibly easy to handle and install, reducing the effort and complexity of the installation process.

Another significant advantage is that it is pest-free. Termites and other pests have no interest in it, providing an extra layer of protection for your building's exterior.

Perhaps one of the most impressive qualities is its colorfast property. The cladding retains its color vividly over time, not fading or changing hue due to exposure to the elements. This ensures a consistently attractive appearance that doesn't require frequent touch-ups or replacements.

In summary, this PVC outdoor cladding is a fantastic choice, combining lightweight convenience, pest resistance, and long-lasting color to enhance and protect your outdoor spaces.

Features:

Product Name: Outdoor PVC Wall Cladding

Fireproof Level: A1

Color: White

Material: PVC

Mildew Resistance Level: Grade 1

Wear Resistance Level: Grade 1

Features: Outdoor PVC Paneling, Exterior PVC Facade, Exterior PVC Facade Cladding

Technical Parameters:

Attribute	Specification
External PVC Overlay	PVC
Outdoor PVC Sheathing	9mm
Outdoor PVC Coating	Polished
Mildew Resistance Level	Grade 1
UV Resistance Level	UV-50+
Impact Resistance Level	Grade 1
Heat Resistance Level	Grade 1
Fading Resistance Level	Grade 1
Anti-aging Level	Grade 1
Waterproof Level	IP65

Applications:

HB-DECOR Outdoor PVC Wall Cladding is a reliable and durable solution for exterior wall lining. With its clip-in installation method, this external PVC sheathing ensures easy, time-saving installation. The outdoor PVC paneling is designed for Grade 1 impact resistance, Grade 1 mildew resistance, Grade 1 fading resistance, and UV-50+ UV resistance. HB-DECOR Outdoor PVC Wall Cladding is the ideal choice for external cladding projects that require high performance and lasting protection.

Customization:

HB-DECOR offers custom services for Outdoor PVC Wall Cladding. Our products are made from high-quality materials, with waterproof level up to IP65, thickness of 9mm, and Grade 1 for both Fading and Heat Resistance. It also provides UV-50+ protection, ensuring long-term durability and stability.

Our External PVC Overlay is perfect for outdoor applications, and it provides reliable protection against harsh weather conditions. Our Outdoor PVC Paneling is designed to last, and it will surely add a touch of style to your home or business environment.

We are dedicated to provide you with the best quality Outdoor PVC Wall Cladding, so you can rest assured that you are getting the best product for your money. With our custom services, you can be sure that you are getting the perfect product for your needs.
