Basic Information

- Place of Origin: CHINA
- Brand Name: HB-DECOR
- Certification: MSDS,ISO,CE
- Model Number: outdoor pvc wall panel
- Minimum Order Quantity: 3000SQM
- Price: USD2-7.5/PCS
- Packaging Details: CARTON
- Delivery Time: 10days after receive deposit
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 40CONTAINERS PER MONTH

Product Specification

- Fireproof Level: A1
- Thickness: 9mm
- Material: PVC
- Heat Resistance Level: Grade 1
- Impact Resistance Level: Grade 1
- Installation Method: Clip-in
- Color: White
- Anti-aging Level: Grade 1
- Features: Weatherproof, Energy-Efficient, Versatile Building Covers
- Highlight: **Outdoor PVC Wooden Cladding,**
Impact Resistance PVC Wooden Cladding,
Impact Resistance Outdoor Plastic Wall

Product Description

The amazing PVC outdoor cladding is a remarkable choice for building exteriors. Its weatherproof nature ensures it can brave all kinds of weather conditions. Whether it's heavy rain, intense sunlight, or strong winds, this cladding holds up without a hitch.

In addition to being weather-resistant, it's highly energy-efficient. It helps regulate the temperature inside the building, reducing heat loss in the winter and heat gain in the summer. This leads to potential energy savings and a more comfortable indoor environment.

The versatility of this PVC outdoor cladding is another standout feature. It comes in a wide array of colors, styles, and textures, allowing you to customize the look to match your architectural vision. Whether your building has a modern, traditional, or eclectic style, there's a PVC cladding option that will fit perfectly.

Overall, this PVC outdoor cladding is not just a cover; it's a combination of functionality, efficiency, and aesthetic appeal that enhances the beauty and performance of any building.

Features:

Product Name: Outdoor PVC Wall Cladding

External PVC Lining: Yes

Outdoor PVC Sheathing: Yes

External PVC Exterior Cladding: Yes

Color: White

Mildew Resistance Level: Grade 1

Waterproof Level: IP65

Impact Resistance Level: Grade 1

Fading Resistance Level: Grade 1

Technical Parameters:

Property	Description
Wear Resistance Level	Grade 1
Material	PVC
Mildew Resistance Level	Grade 1
Installation Method	Clip-in
Fireproof Level	A1
Waterproof Level	IP65
Heat Resistance Level	Grade 1
Fading Resistance Level	Grade 1
UV Resistance Level	UV-50+
Surface Treatment	Polished

Applications:

HB-DECOR's outdoor PVC wall cladding is the perfect choice for exterior wall cladding. It is made of high quality PVC material and can be installed with clip-in installation method. The white color and 9mm thickness make the product durable and waterproof to IP65 level. The polished surface treatment provides the perfect look for any outdoor areas. With its superior UV protection, mould and mildew resistance, and superior fire resistance, this outdoor PVC wall cladding is ideal for any external PVC exterior and external PVC cladding.

Customization:

HB-DECOR provides customized services for Outdoor PVC Wall Cladding. Our product model number is outdoor pvc wall panel. It is made in China and has excellent wear resistance (Grade 1) and mildew resistance (Grade 1). The fireproof level is A1 and anti-aging level is Grade 1. The thickness of the product is 9mm. The product is also known as External PVC Cladding, Exterior PVC Facade, Outdoor PVC Coating, etc.

Support and Services:
