

High-Performance WPC Fluted Panel for Demanding Interior Applications

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: HB-DECOR
- Certification: MSDS,ISO,CE
- Model Number: WPC FLUTED PANEL
- Minimum Order Quantity: 3000SQM
- Price: USD4-10/M2
- Packaging Details: CARTON
- Delivery Time: 10days after receive deposit
- Supply Ability: 40CONTAINERS PER MONTH

Product Specification

- Design: Various Designs Available
- Thickness: 12mm-30mm
- Length: 2.2m/2.7m/2.9m
- Application: Indoor/Outdoor Decoration
- Color: Various Colors Available
- Material: Wood Plastic Composite
- Highlight: **WPC fluted panel for interiors ,
high-performance WPC panel ,
durable WPC fluted panel**

Product Description

High-Performance WPC Fluted Panel for Demanding Interior Applications

Product Specifications

Attribute	Value
Design	Various Designs Available
Thickness	12mm-30mm
Length	2.2m/2.7m/2.9m
Application	Indoor/Outdoor Decoration
Color	Various Colors Available
Material	Wood Plastic Composite

WPC Fluted Panel 12mm × 2.2m - HB-DECOR Premium Wall Cladding

Our wood-plastic composite fluted panel merges natural wood fibers with high-performance polymers to deliver durable, weather-resistant wall solutions for interior and exterior applications. The 12mm thick × 2.2m long panels provide exceptional moisture resistance and UV stability while maintaining the aesthetic appeal of natural wood, available in multiple design options to suit various architectural requirements.

Technical Specifications

Constructed from premium Wood Plastic Composite (WPC) with a protective laminated surface finish. Available in multiple width configurations ranging from 100-300mm, with a minimum order quantity of 500 square meters per design specification.

Premium WPC Fluted Panel Features

- Durable wood-plastic composite construction withstands moisture, corrosion, and wear
- Maintains structural integrity in demanding environments
- Customizable dimensions (12-30mm thickness, 2.2-2.9m lengths)
- Multiple color options available
- Lightweight fluted panel design for straightforward installation
- UV-resistant properties for reliable outdoor performance
- Minimal maintenance required - no painting or staining needed
- Long-lasting aesthetic appeal and functionality
